**FAIRFAX AFRICA HOLDINGS CORPORATION FILES PRELIMINARY
PROSPECTUS FOR INITIAL PUBLIC OFFERING OF SUBORDINATE VOTING
SHARES**

Fairfax Financial Holdings Limited (TSX: FFH and FFH.U) (“**Fairfax Financial**”) and Fairfax Africa Holdings Corporation (“**Fairfax Africa**” or the “**Company**”) announce that the Company has filed a preliminary prospectus with the securities regulatory authorities of all provinces and territories in Canada and obtained a receipt therefor in respect of its initial public offering (the “**Offering**”) of subordinate voting shares (“**Subordinate Voting Shares**”).

Fairfax Africa is an investment holding company. Its investment objective is to achieve long-term capital appreciation, while preserving capital, by investing in public and private equity securities and debt instruments of African businesses or other businesses with customers, suppliers or business primarily conducted in, or dependent on, Africa (“**African Investments**”). Generally, subject to compliance with applicable law, African Investments will be made with a view to acquiring control or significant influence positions.

Fairfax Financial has taken the initiative in creating the Company. Fairfax Financial is a holding company which, through its subsidiaries, is engaged in property and casualty insurance and reinsurance and investment management.

In addition to the contemplated public offering of Subordinate Voting Shares, and as a condition to the closing of the Offering, the Company will issue to Fairfax Financial, either directly or to one or more of Fairfax Financial’s subsidiaries, the lesser of (i) 30,000,000 multiple voting shares and (ii) 30% of the post-offering equity capital of the Company, on a private placement basis, in exchange for cash consideration from Fairfax Financial and the contribution by Fairfax Financial of its indirect interest in AFGRI Proprietary Limited (“**AFGRI**”). Based in South Africa, AFGRI is a leading agricultural services and food processing company with a core focus on grain commodities. Further, cornerstone investors have committed to subscribe for, on a private placement basis, approximately US\$116 million of Subordinate Voting Shares. The aggregate equity commitment by the cornerstone investors, together with Fairfax Financial, is up to approximately US\$416 million.

“We are excited to launch, following our successful establishment of Fairfax India Holdings Corporation, a new company sponsored and promoted by Fairfax Financial — a company focused purely on the growth potential of Africa and African businesses,” said Prem Watsa, Chairman of Fairfax Financial and Fairfax Africa. “We believe Africa will be transformed in the coming years by positive demographic trends led by a large emerging middle class, substantially improved political stability and governance, and increased integration with global markets — trends that are expected to underpin growth for many years — and Fairfax Africa, with our resources and expertise developed over several years of investing in Africa, will be well

positioned to make significant long-term investments in businesses with experienced and ethical management teams.”

The Offering is being led by RBC Capital Markets.
